

I, Hon Mia Davies MLA, of Northam Boulevard, Fitzgerald Street, Northam, in the State of Western Australia, am the promoter of this petition which contains _____ signatures

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament Assembled.

We, the undersigned, say that State Government investment in to palliative care in regional Western Australia needs to be increased to a level that addresses current deficiencies in service delivery.

We therefore ask the Legislative Council to call on Premier Mark McGowan and the Minister for Health to:

- Ensure funding for palliation services are in line with requirements and expectations of the health sector and regional communities.
- Work with the Department of Health, WA Country Health Service and private health sector practitioners to increase staffing levels, improve administration of patient care and provide greater access and availability to palliative care specialists in the regions.
- Introduce a broader and adaptive model of aftercare support for the families of palliative care patients who lose their loved ones.

And your petitioners as duty bound, will ever pray.
