

Petition in relation to proposed electoral reform of the Legislative Council Western Australia

To the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament Assembled.

We, the undersigned, are strongly opposed to any reduction in regional representation in our Parliament. West Australians deserve to have their say on laws which ultimately affect how they are represented. The State Government was not elected with a mandate for electoral reform, which we were publicly told on multiple occasions was not on the agenda.

We therefore call upon the State Government to conduct a referendum to allow West Australians to speak up on Labor's proposed reduction of regional representation.

And your petitioners as duty bound, will ever pray.
